Dance With a Two Headed Snake: 2016 End of Sociopath-Elitist Two Party Rule? (Political Responsibility Series Book 5) Erica Wolf
READ THIS BOOK AND SEE WHY BOTH REPUBLICAN AND DEMOCRATIC PARTY POLITICAL HACKS FEAR AND HATE EVERY WORD WRITTEN IN THIS BOOK!

If you are or were an Obama supporter and believed in his “Yes We Can” Platform, you probably may not want to read some of the commentary in this book, but you need to read what this author is saying even more than Obama's so-called opposition, who are only a well fabricated illusion at best!

Question; since when does any President who is the leader of his political party, ever go to the leadership of the opposing political party, to help them determine what his latest government policies will look like?

If you are one of millions of Americans who voted for and supported the Obama Presidential Campaign for Change, because you believed Obama was truly the “Candidate of the People,” and the ideal person for bringing real CHANGE to Our America, and to Our American Majority, then this book is most definitely for you!

If you spent far too much of your hard earned money contributing to the Obama Presidential Campaign, because you believed Barack really needed every penny of financial support available from our majority in order to WIN the Presidential Election, then this book is for you!

If you later felt betrayed to learn that the majority of Obama’s financial contributions came from two of his largest campaign donors; Goldman Sachs & Lehman Brothers, who are the very criminal bankers that brought our economy to its knees, with no one ever being arrested, prosecuted, or convicted and serving the time, then this book is most definitely for you!

If you were completely disillusioned to find your new Obama President refusing to prosecute the criminals in the previous GWB administration including both Cheney and Rumsfeld, then you looked on in horror as the Obama administration acted even more warlike and criminal than GWB, then this book is definitely for you!

What this book represents is a deadly serious look at what is becoming another eight years of what had already been for the previous 16 years, and what most everyone NEVER wanted to see again in our Great American Nation!

Let's face it America, everything we thought we knew about our government has proven entirely wrong, once the criminals took over, and what we thought we knew about Obama, well, off the charts!

Ariana Kensington takes us on an exciting journey into the amazingly twisted world of the Barack Obama Presidency and our failing Two Party Political System.

Everything related to, what often appears to be a morally bankrupt Presidency, is examined; from "Illegal

Drone Strike Murders," to using “National Security” as the ultimate cover-up for disguising illegal, unconstitutional, and criminal acts, policies, and behavior against our nation!

Now, what can be more mind boggling than that?

You never know the diabolical truths that lurk in the minds of those who have betrayed our great nation, or those of us who too often find ourselves looking on in horror.

WE NEED TO MAKE THE YEAR 2016, THE YEAR WE VOTE OUT ALL POLITICAL PARTY CANDIDATES!

NO DEMOCRATIC OR REPUBLICAN PARTY CONGRESSMEN, SENATORS, OR PRESIDENTS WANTED!

Members of Our 99% Majority need to begin making plans to run for political office nationwide, along with other dynamic members in our communities!

We need to get the word out to everyone we know that 2016 is the year Our 99% Majority begins running for office, sweeping up the majority of elected positions and that 2016 is the year we begin taking back Our Great American Nation!

So, remember to scroll back to the top of this page, get your hands on this exciting new book, begin making plans for the 2016 Presidential, Congressional, and Senatorial Elections, plus start also running for all elected city, state, county positions in your area!

LET'S DO THIS PEOPLE!
