David Copperfield: Illustrated Edition Charles Dickens
“Whether I shall turn out to be the hero of my own life, or whether that station will be held by anybody else, these pages must show.”

Charles Dickens' *David Copperfield* traces the life of David Copperfield from the time of his birth to his mature manhood, when he is married and familiar with the vicissitudes of life. Many elements of the novel follow events in Dickens' own life, and it is probably the most autobiographical of his novels. It is at once a personal account and universally relatable, and remains one of the greatest works of art in all of literature.

The Paperless Classics **illustrated edition** of Charles Dickens' *David Copperfield* has been perfectly formatted for Kindle ereader platforms. Every edition has a working table of contents, cleanly presented text that matches a physical book, and additional features such as links to free, full-length audiobooks of the works included.

Paperless Classics features a catalogue of important classic works of literature that every reader should own, in editions perfectly formatted for the modern ereader. Our library is ever-growing, so readers are advised to sign up for our newsletter to learn about new releases from Paperless Classics.
