This web site delivers the complete contents of the groundbreaking new 2-volume masterwork, DERMATOLOGY - complemented by a wealth of additional features. A powerful search engine allows users to rapidly locate authoritative, richly illustrated, user-friendly guidance on any subject in the specialty. Downloadable illustrations, links to MEDLINE abstracts, self-testing programs, drug questionnaires, and extracts from other Elsevier dermatology books further enhance the site's clinical utility. The result is one of the most powerful online information sources in dermatology.

- Enables users to search through the entire DERMATOLOGY text for information on specific conditions, symptoms, treatments, and drugs-and find the answers they need quickly.
- Presents all 3,000 outstanding images from the parent text-including over 2,500 full-color photographs, perfectly capturing a full range of skin conditions as they actually present in practice.
- Allows users to download any of these illustrations for use in PowerPoint™; slide presentations, ideal as a visual aid for lectures.
- Features links to MEDLINE abstracts for all of the texts bibliographical references-greatly expediting any search for additional information.
- Includes self-testing material so users can evaluate and develop their diagnostic skills.
- Offers drug questionnaires that users can give to patients to clarify drug precautions and contraindications.

From reader reviews:

Shirley Joy:

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what yours problem? How about your spare time? Or are you busy individual? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. The doctor has to answer that question due to the fact just their can do this. It said that about publication. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need this particular Dermatology Online: PIN Code and User Guide to Continually Updated Online Reference, 1e to read.

Adele Rowan:

Nowadays reading books become more than want or need but also be a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want attract knowledge just go with knowledge books but if you want sense happy read one along with theme for entertaining for example comic or novel. The Dermatology Online: PIN Code and User Guide to Continually Updated Online Reference, 1e is kind of reserve which is giving the reader erratic experience.

Melissa Broussard:

Reading a book for being new life style in this calendar year; every people loves to read a book. When you learn a book you can get a lots of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you need to get information about your examine, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this sort of us novel, comics, as well as soon. The Dermatology Online: PIN Code and User Guide to Continually Updated Online Reference, 1e offer you a new experience in studying a book.

Joshua Hsu:

Many people spending their time by playing outside along with friends, fun activity having family or just watching TV all day every day.
