Calculus: Early Transcendentals (High School Version)

Jon Rogawski

Calculus: Early Transcendentals (High School Version) Jon Rogawski
This new text presents calculus with solid mathematical precision but with an everyday sensibility that puts the main concepts in clear terms. It is rigorous without being inaccessible and clear without being too informal—it has the perfect balance for instructors and their students.

“We (my AP Calculus students and I) are enjoying Rogawski's text--very much, in fact. I've asked my students to do a "compare and contrast" with the Rogawski text versus our "regular" textbook, and each time, the students were unanimous in their positive attitudes towards Rogawski’s material.”

- Glen Vest, Ritenour High School (MO)
