Family Nurse Practitioner Certification Review, 1e Pamela S. Kidd PhD ARNP CEN FNP-C FAAN
This review book includes all of the areas covered on the FNP certification examination, including common complaints, client wellness, the nurse-client relationship, and current issues. Each section includes a content review followed by questions with answers and rationales. The life span content is integrated to be consistent with the testing format.

* Addresses both American Nurses Credentialing Center (ANCC) and Academy of Nurse Practitioners (ANP) test domains. * Organizes content by specific topics within each body system to allow for focused review by topic/condition, symptom, or body system. * Provides the learner ample review of the material with specific content review questions at the end of each section, additional body system test questions, and answers and rationales. * Includes two sample certification examinations to allow the learner the opportunity to time their test performance. * Classifies each question according to clinical process (assessment, differential diagnosis, evaluation, etc.) to enable the learner to self-evaluate strengths and weaknesses and focus review time where necessary.
