Toby
Toby has always known that he was different, but he was never quite sure on the specifics.

As a child he moved around a lot. He was known as the runaway kid at the homes he stayed in, but when he went to Southside, everything changed.

A fire is his escape from this place of nightmare.. But his questions about who he truly is, and why the boy with the orange eyes saved him that night, still linger in his mind.

Jenson
Jenson lost his brother when he was young.

He spent most of his childhood trying to find him, until he stopped at Southside. Southside was like nowhere else on earth. It was the place where children must forfeit their innocence to survive.

During a conflict, a boy defends him and ends up badly beaten for it. He knows that he must do something to help.

A fire is started. Everything changes, and he finds himself waiting for answers he’s not sure he’ll ever get.
