Nineteen-year-old Scarlett's life in her daddy's gentle, loving care is pretty close to perfect as far as she is concerned. Even when Colton spanks her bare bottom soundly for hiding traffic tickets, she knows that in the end he'll take her in his arms and kiss all her tears away, and she'll be his good girl again.

When Colton tells her he needs to travel for rodeo business and that he's trusting her to be a big girl and stay home alone, Scarlett can't wait to watch chick flicks and eat too much popcorn while holding down the fort. But then her two friends from college talk her into hosting a huge house party—with beer and boys and loud music—and she hesitantly agrees.

After Colton discovers what Scarlett has been up to, he sends a trusted friend to the house to deal with her naughty behavior in his absence. Before she knows it Scarlett is getting the spanking of her life, with more intimate, embarrassing punishments to follow, and she is soon feeling like a very sorry little girl indeed.

Upon coming home, Colton sets out to make sure that Scarlett never lies to him again, but he also makes sure his little girl knows that her daddy loves her more than she can possibly imagine, and though her punishment leaves her bottom sore both inside and out, Colton's firm but loving discipline also leaves Scarlett feeling happier than ever to be kept by her cowboy daddy.

Publisher's Note: Kept by Her Cowboy Daddy is the sequel to Her Cowboy Daddy. It is an erotic romance novel that contains spankings, sexual scenes, age play, anal play, elements of medical play, elements of BDSM, and more. If such material offends you, please don't buy this book.
