Psychology: A Christian Perspective - High School Edition Timothy S. Rice
"Whatever you think about Psychology, the time to deal with it is before your student goes to college. Psychology is a popular major and is a required class at most colleges. This text introduces Christian high school students to the study of the human mind and prepares them for the worldview challenges embedded in modern psychology's theories and schools-of-thought. Students will understand how the Christian worldview contrasts with the psycho-dynamic, behavioristic, humanistic, and evolutionary perspectives. The text covers the history of psychology, as well as current theories on motivation, emotion, development, memory, sensation, abnormal psychology, social psychology, treatment, and more, each chapter includes bolded key words, a chapter summary, and review questions. 256 pages."
