High on a Mountain: Book One: Ailean (A MacLachlainn Saga 1) Tommie Lyn
A boy with dreams of adventure…a girl with a traumatic past…and a prince determined to take a throne…

Ailean MacLachlainn, the son of a poor crofter in Scotland's highlands, wants a life of adventure. He often daydreams of being a respected warrior of his clan. And he battles rival Latharn Cambeul in the game of camanachd…and wins. But Ailean meets a girl, and a shy smile and a glance from Mùirne's blue eyes turns his head. He wins her love, and his rivalry with Latharn is no longer a game with a camanachd stick, now they fight with swords.

Ailean gets his wish to become a warrior when Bonnie Prince Charlie comes to raise a Highland army in the attempt to retake his father's throne. Ailean's clan chief involves his clan in the uprising, and sets Ailean on a course toward a destiny he could never have forseen.

What happens when a man's dreams turn to dust? And when a man loses everything, does he have what it takes to go on?

HIGH ON A MOUNTAIN is the stirring tale of one man's remarkable journey through life. A story of adventure and love…of faith, loss, and redemption.

Michael Due:

Information is provisions for individuals to get better life, information presently can get by anyone with everywhere. The information can be a know-how or any news even restricted. What people must be consider when those information which is inside the former life are challenging be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you find the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take High on a Mountain: Book One: Ailean (A MacLachlainn Saga 1) as the daily resource information.

Erin Wright:

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this High on a Mountain: Book One: Ailean (A MacLachlainn Saga 1) can make you truly feel more interested to read.
