Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1906 edition. Excerpt: ...in a painting combining the natural portraiture of frightful realities mixed with horrors supplied from a fertile imagination. The sombre character of Byzantine art was well adapted to the subject, and the fame Methodios acquired among his contemporaries, as well as from those in after times who saw his paintings, may be accepted as a proof that they possessed some touches of nature and truth. It would be unfair to decide peremptorily on the effect of larger works of art from the illuminated Byzantine manuscripts which still exist. Art is subject to strange vicissitudes in very short periods, as may be seen by any one who compares a guinea of the reign of George III. with a coin of Cromwell or even Queen Anne, or who looks at Whitehall and the National Gallery.3 The literature of the ancient world was never entirely neglected at Constantinople, so that the intellectual culture of each successive period must always be viewed in connection with the ages immediately preceding. The literary history of Constantinople consequently opens immediately a field of inquiry too wide to be entered on in the limited space assigned to this political history. The works of the classic writers of Hellas, of the legists of Rome, and of the fathers of Christian theology, all exercised a direct influence on Byzantine literature at every period of its existence, until Constantinople was conquered by the Turks. It has been too much the practice of the literary historians of Europe to underrate the positive knowledge of ancient literature possessed by the learned in the East during the eighth and ninth centuries. What has been often called the dawn of civilisation, even in the West, was nothing more than an acquaintance with the bad models transmitted from the last ages...
