Secretary Kate has come all the way from London to Las Vegas to accompany her boss on what she'd thought would be a simple business trip. But it seems her boss has more than just work on his mind—he ambushes her in the shower, looking for a weekend of off-the-clock fun. Kate desperately manages to fend off his advances while leaving a few claw marks in her wake, but now she finds herself locked out of her hotel room in nothing but a towel. When hotel owner Zack Boudreaux comes to investigate the commotion, he finds a scantily clad woman of dubious repute and demands that she get out of his hotel at once. What can Kate do to convince him of her virtue?
