The Wolf Deception Olivia Claire High
The Wolf Deception A Romantic-Suspense Novel Pippa Scott arrives at Wolfhaven, an isolated mansion in the deep woods of Northern California, vivid imagination intact, to assist wealthy Lila Avalon in writing her animal stories. Lila's warm welcome is soon overshadowed by the air of secrecy permeating the household, especially whenever Pippa alludes to having seen, or heard the howling of, a wolf outside her window at night. Her dream job transitions into a nightmare, threatening her Cinderella-like existence when she suspects Lila's aloof grandson, Shade Avalon, and a magnificent black wolf roaming the gardens, may be one and the same. Dare she refer to Shade as a ‘Shape-Shifter,’ or is it just her vivid imagination? Facts keep piling up, but no answers emerge. Eager to solve the mystery and break the family code of silence, Pippa encounters one dangerous situation after another from both man and wolf. But she realizes the real risk may turn out to be her growing passion for the enigmatic Shade. How could she possibly love someone who may also be part beast? Olivia Claire High stretches her vivid imagination to new heights, bringing her readers along for the ride, in this whimsical modern-day, adult fairy-tale. She delves deep into the psyche of her characters and significant life-events which have impacted their adult persona; events which will allow an infant, tossed into the trash at birth, umbilical cord intact, to journey beyond a life of rejection, landing in the arms of her Prince Charming. While both have imperfections to overcome, tragedies and obstacles bar their way. But, as with any good Cinderella tale, love trumps all.
