Fire in the Crucible: The Alchemy of Creative Genius

John Briggs

Fire in the Crucible: The Alchemy of Creative Genius John Briggs
"No work in recent years has so convincingly and compellingly portrayed the return of the study of creativity to center stage. The sense of adventure and high purpose is everywhere evident, as is the elusiveness of the prize. The fire in the crucible is approaching critical mass." -- David Henry FEldman, Tufts University, author of "Nature's Gamit".
