The Audacity of Dope

Monte Dutton

The Audacity of Dope Monte Dutton
Riley Mansfield is not your typical hero. He writes songs for a living, smokes pot for recreation and just wants to live and let live. But when he foils an apparent terrorist plot to blow up a small plane over his hometown of Greenville, South Carolina, he is thrust into the spotlight, which is exactly where he doesn't want to be. Suddenly, everyone wants a piece of him, including both major political parties. They aren't willing to take no for an answer, partly because it's an election year and partly because what happened on the plane may be a bit more complicated than it appears. Emboldened by his own obstinacy, Mansfield and his girl Friday, Melissa Franklin, lead the government and the Republicans on a sometimes merry, sometimes painful, sometimes lucky chase. Along the way, they stumble across unlikely friends - a Democrat strategist, a Rolling Stone writer, a pair of sympathetic FBI agents - and ruthless enemies. Theirs is a love affair of sex, drugs and country-folk set against a backdrop of political scheming, hidden agendas and an unraveling plan to maintain control of the government. The American people deserve to know the truth, and it's up to Riley to tell them...if he can live long enough to get the chance.
