The Way of Ping: Journey to the Great Ocean Stuart Avery Gold
A parable about taking risks and discovering a new path. In this second adventure, the now legendary Ping's travels take him to a pond-centered village whose dwellers, ruled by Toad the Elder, have never questioned the certainty of their surroundings. This delightful story captures the fears and doubts faced by all who choose to leave the familiar to make their way in an unknown world, and teaches them to find their true path. As Ping says, "It's never too late to be what you can become."
