Treasured Secrets (Coveted Saga #1) (The Coveted Saga) C.M. Owens
Her blood paints her a target, whereas his marks him the enemy, but together they could be the key to changing it all…

Aria Weislen fought hard to stay in her rainforest home deep in the heart of South America, but she was forced to go back to the states to join the rest of her family. Grayford, Massachusetts is almost the polar opposite of her sweet jungle escape, but it does have one thing her old home never offered… Tallis Verdan. The sight of him leaves her unbalanced and almost incoherent.
Stolen glances and accidental grazes leave her with a fever almost every time. But his mixed signals get her high one second before leaving her to plummet the very next. In a world full of secrets, looks can be deceiving. Even her own reflection has been hiding the truth of what's to come.
It doesn't take long to realize why Tallis sends her on such highs and lows. His blood, his ties, and his secrets rival hers. And when the reality Aria has known shatters to make way for the fantasy she never believed, it all spirals out of control.

It's her they want, but he'll stand in the way…
