George R.R. Martin's Fevre Dream #5 Regular Cover Daniel Abraham
The ten-issue vampire epic on the bayou from the writer of the A Song of Ice and Fire novels continues in issue five! From the New York Times Best-selling author, George R. R. Martin, comes a tale of vampire clans, death and debauchery, legendary blood masters, and even a few epic steamboat races on the muddy Mississippi. This is Martin's FEVRE DREAM, an antebellum story of power, loss, and the fever of bloodlust. It's time for Joshua York to tell Abner Marsh the truth. No, the REAL truth. All of it. And Marsh isn't going to like most of it, but there's a war coming, and if he's going to pick sides, he needs to know what he's in for. Blood and pain, good and evil, truth and lies -- this issue brings everything to light, just in time for the coming darkness: Damon Julian. Each issue of this stunning full-color epic is illustrated by Rafa Lopez, an artist whose skilled line captures every moonlit drop of blood in delicious detail. Adapted by the Hugo-nominated author Daniel Abraham, this version of FEVRE DREAM stays faithful to Martin's original dark vision, while bringing the torture and joy of his vampires to almost-human life.
