*James Baldwin*

**Just Above My Head** James Baldwin
The stark grief of a brother mourning a brother opens this novel with a stunning, unforgettable experience.  Here, in a monumental saga of love and rage, Baldwin goes back to Harlem, to the church of his groundbreaking novel **Go Tell It on the Mountain**, to the homosexual passion of **Giovanni's Room**, and to the political fire that enflames his nonfiction work.  Here, too, the story of gospel singer Arthur Hall and his family becomes both a journey into another country of the soul and senses--and a living contemporary history of black struggle in this land.
