Paranormal Public Maddy Edwards
There is no such thing as a mage. There is certainly no such thing as a vampire, pixie, werewolf, or fallen angel. And they certainly do not all attend a college together called Paranormal Public University.

One minute Charlotte Rollins is a normal girl about to go to a normal college. She is at once excited and nervous, getting ready to start this new phase in her life. The next minute she is a freshman not at a normal college, but at Paranormal Public University, a school where paranormals of all kinds must co-exist. Charlotte must learn magic, that is, if she could actually do magic, which unlike every other mage at Public she can’t seem to manage.

Her transition to this new and wonderful world is difficult. On top of trying to learn magic, make new friends, and confront forbidden love, the archenemy of the paranormals, the demons, are getting stronger. They are looking for something. It turns out that Charlotte might just hold the key to finding it.

Can Charlotte get a handle on her powers in time to save the school she loves? Can she fulfill a destiny the paranormals scarcely dared to hope for? Or will she be too late?
