Sometimes it seems everywhere you look you see alcoholic beverages. What was once available only in state-run liquor stores can now be found in many neighborhood grocery stores and even gas stations. It’s almost impossible to avoid.

Social drinking is on the rise. While drinking alcoholic beverages was once unthinkable, social drinking is increasing in Christian circles today. Many pastors are also endorsing this practice. But what does the Bible say about drinking alcohol? Is it all right for Christians to drink wine? Can believers be a testimony in atmospheres where alcohol is served? The answers to these questions and more are found in Should Christians Drink Alcohol? Author Jill Walker provides biblical evidence why Christians should abstain from drinking all alcoholic beverages. Walker also shares why eating where alcoholic beverages are served can be a bad choice.

Jill’s personal stories and scriptural references shared in Should Christians Drink Alcohol? will enlighten your heart. As you read an open mind and examine her research, you will be challenged to be completely abstinent.
