To rebuild a superhero, it won't just take the efforts of a single ex-lover. It will take the efforts of all of them.

Thrust, the lusty defender of Port City, has lost his powers; stolen by the wiles and schemes of a psychotic femme fatale. His days dissolve into solitude and self pity until a visit from an old girlfriend snaps him back to action. She takes him to a gathering where science, magic and sheer erotic desire are intertwined to return Thrust to his full strength.

The superheroines and their allies have gathered to strip Thrust's nemesis of her ill gotten abilities and strip off their clothes. Can they raise Thrust back to his heroic stature? Can the assembly avenge their friend and comrade in arms? And if they fail, what do they stand to lose?
