Trivia-on-Book: Colorless Tsukuru Tazaki and His Years of Pilgrimage by Haruki Murakami

Tsukuru Tazaki has always been a fan of train stations. Back in the 1990s in his hometown of Nagoya, he would spend most of his time with four high school friends, all with "colorful names" leaving Tsukuru the “colorless” in the group. One day in 1995, his best friends suddenly cut all ties with him. Feeling abandoned and neglected, Tsukuru became depressed and suicidal. Sixteen years later, Tsukuru is now 36-years-old and works as a train station engineer and still unable to move on from his past. His girlfriend urges him to confront his past because she wants him to commit to their relationship. Tsukuru sets off on a journey to unravel his past and find the quest for truth, happiness, and acceptance.
