Invocation and Assent: The Making and Remaking of Trinitarian Theology

Jason E. Vickers

Invocation and Assent: The Making and Remaking of Trinitarian Theology Jason E. Vickers
The adoption of a new rule of faith in the seventeenth century significantly changed the way English-speaking Protestants perceive the doctrine of the Trinity. Having been the proper personal name by which Christians came to know and love their God, the Trinity became primarily a rational construct and as such no longer clearly mattered for salvation. In *Invocation and Assent* Jason Vickers charts this crucial theological shift, illuminating the origins of indifference to the Trinity found in many quarters of Christianity today.
