Lou thought she had lost everything important to her.

She didn't realize there was one thing left for her to lose. . .

Her life.

Life has not been easy for fifteen-year old Lou Thomas. In the last few years, her once happy family has been whittled down to just herself and her unreliable older sister Charlotte. It's been a daily struggle to make it through.

And it's about to get worse.

Because Lou's abilities - enhanced strength, speed, and healing - have just awakened. While Lou may not understand what is happening to her, another group does. And they won't let anyone get in the way of gathering their new recruit.

Jennifer Witt, though, is determined to keep that from happening. She sees herself in the tough teenager and will do whatever is necessary to keep her safe. But how can you keep someone safe when they insist on running into danger?
