The Horror from the Hills

Frank Belknap Long

The Horror from the Hills Frank Belknap Long
One of the early works of pulp terror, The Horror from the Hills is the legendary first tale of the Cthulhu Mythos. It is drawn from the disturbing nightmares of Belknap Long's friend and colleague, H. P. Lovecraft, the master writer of supernatural fiction of the modern age. A blood-sucking demon from the fourth dimension is mistakenly exhibited in a Manhattan museum and feasts on the blood of its admirers. This influential tale of extraterrestrial terror, a bestseller in the 1930s and 1940s, has been out of print for more than three decades. In a relatively short narrative, Long takes us from the remotest origins of our common culture, to the center of civilized mid-twentieth-century, to the cutting edges of contemporary technology to bring us face to face with horrible bloodsucking malevolence. We are fortunate that Chaugnar Faugn is a creation of fiction, drawn from one dark mind into another's pen.
