Tony Hillerman

The Jim Chee Mysteries: Three Classic Hillerman Mysteries Featuring Officer Jim Chee: The Dark
Tony Hillerman
In *People of Darkness*, Hillerman's first novel to introduce Officer Jim Chee of the Navajo Tribal Police, Chee is forced to use all of his powers of deduction and insight to extricated himself from a deadly series of incidences involving a mysterious millionaire, a sinister, peyote-eating Indian cult, and what the *New York Times* called "an ingenious long-acting way of murder." In *The Dark Wind*, a seemingly routine stakeout at a vandalized windmill thrusts Chee into the center of a dangerous web of drugs, witchcraft, and betrayal. And in *The Ghostways*, a felon relocated under the Federal Witness Relocation Program sets off a chain of treachery and killings, and only Chee has the knowledge of the people and the landscape to understand the clues.
