The Raven: Dramatic Reading of the Gothic Classic plus Special Commentary Edgar Allan Poe
In this wholly original reading/performance of the immortal Edgar Allan Poe's most famous poem, actor/performer Bill Mills goes beyond the stereotypical rhythmic rendition, intoned in a sepulchral voice, and instead presents Poe's words as the increasingly deranged dialogue of a man with a visitant he comes to see as an omen. It is an omen that neither in this life or the next shall he possess the one woman he loves beyond all reason.

Produced in honor of the anniversary of the death of this legendary author and poet, the performance is enhanced with evocative music and sound effects and is preceded by an introductory tribute and Poe mini-biography written by producer and performer Bill Mills.
