The Raw Files: 1995

James Dixon

The Raw Files: 1995 James Dixon
The team at www.historyofwrestling.info are back with the third in their series documenting every episode of Wwf Monday Night Raw, year by year. We cover every angle, segment and match in detail, and offer plenty of thoughts and facts along the way. The book is written and presented in the usual How style, with various awards, match and show lists and a host of star ratings for fans to debate at will. This time, we even have graphs! Learn about the wrestling half cow, half man; witness the birth of the Monday Night Wars; despair at the booking of some of Wwf's biggest shows, but see how we would fix them; see the start of the slow morph from New Generation to Attitude; be baffled by the very existence of Kama; wonder aloud why Owen Hart was jobbed into midcard hell; see the debut of Triple H and relive Shawn Michaels' ascent to the pinnacle of the Wwf in classic matches and angles. Plus much, much more in an action packed, fun-filled 100 page, 80,000 word + tome. Our biggest Raw book yet.

From reader reviews:

Nancy Sobel:

What do you in relation to book? It is not important to you? Or just adding material when you require something to explain what yours problem? How about your time? Or are you busy man? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question because just their can do that. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need this The Raw Files: 1995 to read.

Margaret Burman:

In this 21st hundred years, people become competitive in each way. By being competitive now, people have do something to make these survives, being in the middle of often the crowded place and notice by surrounding. One thing that often many people have underestimated this for a while is reading. Sure, by reading a guide your ability to survive raise then having chance to endure than other is high. For you personally who want to start reading a new book, we give you this kind of The Raw Files: 1995 book as starter and daily reading reserve. Why, because this book is usually more than just a book.

Jason Valladares:

This The Raw Files: 1995 is fresh way for you who has curiosity to look for some information since it relief your hunger details. Getting deeper you onto it getting knowledge more you know otherwise you who still having bit of digest in reading this The Raw Files: 1995 can be the light food to suit your needs because the information inside this book is easy to get by anyone. These books develop itself in the form and that is reachable by anyone, yes I mean in the e-book form. People who think that in guide form make them feel sleepy even dizzy this guide is the answer. So there isn't any in reading a publication especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss the item! Just read this e-book style for your better life as well as knowledge.

Elizabeth Morris:

A lot of publication has printed but it differs. You can get it by world wide web on social media. You can choose the very best book for you, science, comic, novel, or whatever by means of searching from it. It is named of book The Raw Files: 1995. Contain your knowledge by it. Without departing the printed book, it might add your knowledge and make a person happier to read. It is most significant that, you must aware about guide. It can bring you from one location to other place.
