- *Count Dorkula, I Presume?*

In *The Art of the Kiss and Other Mysteries*, Dianna seemed to be an ordinary girl back in junior high. But there was something people didn't know about her. Some sort of a secret she unraveled years later – her life was completely changed by…two kisses. As simple as it may sound, those kisses determined her life once and forever.

The first one was…Ugh…definitely not the one every little girl dreams of. Is life really so unfair? Is fate so sadistic? Or maybe they are just preparing a big surprise? Dianna got a second chance and her second kiss was more than enough to make up for the first one. So was the third and the fourth and…

In *Billionaire with Benefits*, Jonathan is a successful businessman, a billionaire. Tabloids say "One of the smartest entrepreneurs turned the car service world on its head" He is smart, gorgeous and confident with a body of an MMA Fighter. He is the Alpha Male of New York City.

In *Moonlight Sonata*, Katie was a player and a waitress. She used her table waiting to find her prey and reeled them in with her amazing brown hair and stellar body. It had gotten her cars, jewelry, money and anything else she wanted, but she never once found love.

She was pretty sure she did when she met Steve, a soft spoken young man who came in every day for a cup of coffee. He was shyer than most, and he couldn't quite say what she knew he was thinking, so he tried to drink to do it. He came into the restaurant blacked out on cheap whiskey and wine coolers, and he could've killed her if it weren't for a daring rescue by a strange man named Luke who whisked her away and opened her eyes to a world she never thought possible.

In *Count Dorkula, I Presume?*, A short story with fast pacing and a lot of heart, Count Dorkula follows a greatly misunderstood surgeon and his new assistant as they go from just a very good team to a couple. Unfortunately for them, the jealous staff of their small hospital is not thrilled with this development especially the nurse who had thought that she would be the one to end up with the tall, dark and mysterious doctor.
