Dangerous Blessing: The Emergence of a Postmodern Faith

Dangerous Blessing: The Emergence of a Postmodern Faith
Postmodernism has been both heralded and hated, accepted and denounced. But which is the proper response? Is it an impetus to spiritual revival or an invitation to sinister deception? Carmen C. DiCello points out that Christians must "examine everything carefully; hold fast to that which is good" (1 Thessalonians 5:21) while remaining alert to potential hazards. Steering clear of extremes, this book offers an approach to postmodernism in which believers can justly resist its darker elements while embracing its more noble ones. Postmodernism is best seen as a Dangerous Blessing.
