Book #4 in the Bullet series

You might think you know rock star Brad Payne's story, but think again. There's so much more to his story than what Valerie knew. See Brad before Valerie came into his life and, when he was playing back burner to Ethan, see what Brad was up to when no one else in the band was looking.

Valerie might have thought she and Brad were inevitable and maybe, in the back of his mind, Brad might have felt that way too, but he didn't just sit around waiting for her. See the secret side of Brad that you had no idea existed. What kept the driving force behind Fully Automatic focused even while his heart was breaking?

This story can be read as a standalone.
