How to Sideload Android Apps on Virtually Any Device! Markus Bennett

Install apps that aren't normally available on your Android device in just minutes!

#1 best selling author Markus Bennett is back with a brand-new guide to teach you how to sideload apps onto virtually any Android device!

The biggest official Android app markets are provided by Google and Amazon and they both have lots of apps available. But what if you want to install an app that isn't available in the app store for your device? Sideloading is the answer for you! With sideloading, you can legally install apps onto your Android device that aren't available in the app store for your device. The process is safe, easy and is a great way to expand your selection of apps!

In this book by best selling author Markus Bennett, you'll learn how to change the settings on your Android device that normally prevent sideloading, you'll learn where to find apps to sideload onto your device, you'll learn how to install and manage sideloaded apps and much more!
