# Japan, Sport and Society: Tradition and Change in a Globalizing World (Sport in the Global Society)

**Japan, Sport and Society: Tradition and Change in a Globalizing World (Sport in the Global Society)**

Evolving for centuries in relative isolation, sport in Japan developed a unique character reflective of Japanese culture and society. In recent decades, Japan's drive towards cultural and economic modernization has consciously incorporated a modernization of its sports cultures. *Japan, Sport and Society* provides insights into this process, revealing the tensions between continuity and change, tradition and modernity, the local and the global in a culture facing the new economic and political realities of our modern world. The book explores three broad areas of interest:

- sport and modern society in Japan
- current issues in social reconstruction and reproduction in sport
- modernization, globalization and sport in Japan.

Providing unprecedented access to new work from Japanese scholars, and raising key questions of globalization and cultural identity, this text represents a fascinating resource for students and researchers of sport and society.
