**Moving Forward From the Past: Early Writings and Current Reflections of Middle School Founders**
Various
Historically important, this volume provides a marvelous perspective on middle level education. The early writings and talks of five founders-Alexander, Eichhorn, Lounsbury, Toepfer, and Vars-that appeared in the period 1956-1977, together with a fresh reflection piece from each, make for interesting reading and result in a better grasp of the movement's roots and progress.
