Nietzsche and the Origin of Virtue (Routledge Nietzsche Studies)

Lester H. Hunt

Nietzsche and the Origin of Virtue (Routledge Nietzsche Studies) Lester H. Hunt
In *Ecce Homo* (1908) Friedrich Nietzsche calls himself "the first immoralist" and adds "that makes me the annihilator *par excellence*".
Lester Hunt examines this and other radical claims in order to show that Nietzsche does have a coherent ethical and political philosophy. He uses Nietzsche's writings as a starting point for a critique of a wider, contemporary ethical project - one that should inform our lives as well as our thoughts.
