Thor's Wedding Day: By Thialfi, the goat boy, as told to and translated by Bruce Coville (Magic Carpet Books) Bruce Coville
What could possibly make Thor--the massive and mighty god of thunder and protector of all his people--put on a bridal gown? It all begins when the source of Thor's power, his beloved hammer, is stolen. The plan to get it back requires that he dress in fancy finery and be packed off to marry the king of the giants. Luckily, Thialfi, the goat boy, comes along. Working behind the scenes, Thialfi just might save the day . . . which is only fair, because it's his fault the hammer was stolen in the first place.

Debra Shortt:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country.
