Caring for the garden of your soul requires vigilance. Weeds of unforgiveness can quickly spring up and choke out the beautiful qualities God wants to grow in you. Whether the injuries done to you by others are small or great, your spiritual and emotional well-being depends on cultivating a forgiving heart. But how? Is forgiveness a feeling or a choice? Does it mean excusing the injury? Does it free the offender from the consequences of his or her actions? Debunking the myths that hinder forgiveness, Denise George takes you through challenging but critically important lessons on forgiving others. This six-week devotional Bible study experience includes twenty-minute weekday sessions; sixty-minute weekend sessions for deeper personal, mentor, or group study; and a five-minute weekend Scripture prayer, all to enrich your dialogue with God and interaction with Scripture. Designed to stimulate your personal growth and explore the hard questions of life one-on-one with God, Cultivating a Forgiving Heart will help you uproot bitterness so that joy and peace can flourish in your heart.
