Handbook of Regional and Urban Economics, Volume 2 (Handbooks in Economics)

Handbook of Regional and Urban Economics, Volume 2 (Handbooks in Economics)
This second volume of the Handbook presents professional surveys of all the important topics in urban economics. The first section contains 6 surveys on locational analysis, the second, 5 surveys of specific urban markets, and the third part presents 5 surveys of government policy issues. The book brings together exhaustive research by distinguished scholars from many countries. It is the only complete survey volume of urban economics and should serve as a reference volume to scholars and graduate students for many years.
