Justin

I'm God's gift to women, what can I say?

When I'm out and about, I catch the ladies checking out the goods.

I'm at the beach today and my sister has her posse of friends with her.

One in particular is beyond beautiful, with a killer body to match.

"Justin, don't you remember me," she asks, in the most sensual voice I've heard in a long, long, time.

"Sloane Hart, is that you?" I utter in disbelief, it's my little sister's best friend all grown up and filled out in all the right places.

Needless to say I don't waste a minute getting her alone.

After I take her out to dinner, I get her back to my place for a little slap and tickle session.

Things get hot and heavy, we're just about to do the dirty deed when I sense something isn't right, she's tense.

"Can you go slow and easy?" she asks timidly.

WTF, she's a virgin?

I don't mess with virgins anymore, not since high school.

Next. I'm moving on. Don't want Sloane, dear Sloane, getting stuck on me.

After a couple of months, I'm usually done and over it. I tell her I'm doing her a favor.

The problem is, I can't stop thinking about her. Then when I see other guys hitting on her, it makes my blood boil.

This can't continue…Sloane Hart is getting under my skin.

Sloane

I was invisible to him.

Justin Harlow is my best friend's older brother, and I've been in love with him for as long as I can remember.

Fast forward ten years later and I'm at the Harlow Family beach party.

Justin has got one killer set of abs and is devilishly handsome.

Mr. God’s gift to women notices me today.

The way his eyes rake over me from head to toe tells me he wants me.

He says I’ve grown up, and filled out in all the right places.

He’s dangerous for my heart and my body.

I know I’m in trouble.

A captivating best friend's older bother novel you won't be able to put down!

~Readers of Winter Renshaw, Joanna Blake and Claire Adams will enjoy the Just Love Me Series.~
