Locke: Corps Security, Book 5 Harper Sloan

Darkness is the only thing I see. Ever since the day my life changed. The day that everything and everyone I held close to me ceased to exist. The day I lost it all, and the demons of my past consumed my every waking moment.

I tried to keep others at arm's length. Tried not to let my darkness taint them. Ruin them. Harm them. And whether I want to admit it or not, as much as I wish I could keep them locked out, they refuse to leave. Refuse to let me suffer alone.

If I hadn't been so focused on keeping those demons from flying free, I wouldn't have missed how one perfect angel was able to sneak her way under my skin - refusing to let go. Making me want things I don't deserve. She consumes me. Her beauty knows no end. The love she promises tempts me every time she's near. But that pure heart that makes her my Emmy is the one thing I'm convinced I'll destroy if I ever let her close.

Contains mature themes.
