No Room for Error: A Lexi Carmichael Mystery, Book Seven Julie Moffett
Trouble follows me, Lexi Carmichael, like a little black cloud. At least according to my boyfriend, Slash: brilliant hacker, national treasure and vault of secrets. Even I have to admit he could be right.

After a series of high-profile cases at my cyberintelligence firm, I was looking forward to a simple job. All I had to do was personally deliver a revolutionary microchip to a manufacturing plant in Indonesia. Easy, right? Wrong.

Someone else wants the design and is willing to kill to get it. A failed hijacking attempt lands me, my best friend Basia and our boss, Finn, in the middle of the jungle. Our mission is clear: protect the microchip design from the hijackers on our tail...and survive. But how can a geek girl like me survive without access to my beloved technology? I'm about to find out. And this time, there's no room for error.

Don't miss Lexi's first adventure in *No One Lives Twice*!
