Heroes: U.S. Army Medal of Honor Recipients Barrett Tillman
The honored few...From the bloody fields of the Civil War to the global conflicts of the modern age, here are the stories of 100 Army Medal of Honor winners.

Since its Revolution-era formation as the Continental Army, the United States Army has earned a hard-won reputation for duty, courage, and brotherhood. But there are those whose exploits in combat have set them apart from their fellow soldiers, earning them the most cherished and honored citation there is-the Congressional Medal of Honor.

From the killing fields of the Civil War, through World Wars I and II, to the jungles of Vietnam and America's fight against terrorism around the world, this comprehensive book features detailed information on 100 Army Corps Medal of Honor winners-including many lesser-known recipients- whose courage and sacrifice in the service of their country remain the foundations of the United States Army. Their achievements are chronicled in this complete and compelling memorial of those who have earned the right to be called "The Bravest of the Brave."

From reader reviews:

Omar Lamm:

What do you about book? It is not important along with you? Or just adding material when you need something to explain what the ones you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have spare time? What did you do? Every individual has many questions above. They should answer that question because just their can do this. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need this Heroes: U.S. Army Medal of Honor Recipients to read.

Richard Thompson:

People live in this new day of lifestyle always aim to and must have the time or they will get wide range of stress from both day to day life and work. So , whenever we ask do people have spare time, we will say absolutely indeed. People is human not really a huge robot. Then we inquire again, what kind of activity do you have when the spare time coming to you of course your answer will certainly unlimited right. Then do you ever try this one, reading guides. It can be your alternative within spending your spare time, the actual book you have read is Heroes: U.S. Army Medal of Honor Recipients.

Mary Ruch:

Playing with family in the park, coming to see the sea world or hanging out with close friends is thing that usually you might have done when you have spare time, and then why you don't try thing that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Heroes: U.S. Army Medal of Honor Recipients, you may enjoy both. It is good combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its referred to as reading friends.

Rachel Cady:

Does one one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you never know the inside because don't determine book by its cover may doesn't work the following is difficult job because you are frightened that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer can be Heroes: U.S. Army Medal of Honor Recipients why because the wonderful cover that make you consider in regards to the content will not disappoint you. The inside or content is fantastic as the outside as well as cover. Your reading sixth sense will directly guide you to pick up this book.
