John David Anderson

Minion John David Anderson

John David Anderson returns to the world of superheroes he created in *Sidekicked* with an entirely new cast of characters in *Minion*, a funny and emotional companion to his first breakout tween novel—perfect for superhero fans who also love the work of bestselling authors Rick Riordan, Louis Sachar, and Frank Cottrell Boyce.

Michael Morn might be a villain, but he's really not a bad guy. When you live in New Liberty, there are no Supers and only two kinds of people: those who turn to crime and those who suffer. Michael and his adoptive father spend their days building boxes—special devices with mysterious abilities—that they sell to the mob at a price. They provide for each other, they look out for each other, and they'd never betray each other.

But then a Super comes to town, and Michael's world is thrown into disarray. The Comet could destroy everything Michael and his dad have built, the safe and secure life they've made for themselves. And now Michael and his father face a choice: to hold tight to their life or to let it unravel.

From reader reviews:

Theodore May:

What do you think of book? It is just for students because they're still students or it for all people in the world, the actual best subject for that? Merely you can be answered for that question above. Every person has various personality and hobby for every other. Don't to be forced someone or something that they don't need do that. You must know how great as well as important the book Minion. All type of book would you see on many sources. You can look for the internet solutions or other social media.

Ethel Davidson:

This book untitled Minion to be one of several books this best seller in this year, that's because when you read this e-book you can get a lot of benefit upon it. You will easily to buy that book in the book shop or you can order it via online. The publisher on this book sells the e-book too. It makes you quickly to read this book, because you can read this book in your Touch screen phone. So there is no reason to you to past this guide from your list.

Larry Parrish:

This Minion is great reserve for you because the content that is certainly full of information for you who else always deal with world and have to make decision every minute. This specific book reveal it details accurately using great plan word or we can state no rambling sentences in it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but challenging core information with attractive delivering sentences. Having Minion in your hand like keeping the world in your arm, details in it is not ridiculous one particular. We can say that no guide that offer you world with ten or fifteen second right but this e-book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?

Nadine Taylor:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Minion can make you really feel more interested to read.
