The Sin Code

Hunter S. Cooper

The Sin Code Hunter S. Cooper
1862 Arizona-Utah border: Ten men chisel a tunnel into red rock, deposit a wooden chest and seal the entrance with a huge sandstone slab. More than one hundred years pass and no one knows for certain the location or contents of the chest. Whatever it contains, it's worth dying for. Now a coded letter surfaces. Rachael Cooper has the letter and knows that if she can break the code, she can find the chest. Despite all efforts, she can't decipher it. A murderous cult knows she has the letter and has spilled ample blood attempting to find her and unravel the letter's secrets. Rachael seeks out Jack Kurtz. In his day, Kurtz was a phenom, a world class code-breaking prodigy. The CIA considered him a national treasure...until he crossed a line and became just another inmate in Leavenworth Penitentiary. Kurtz is now a burned out ex-con living on a sailboat in LA and reluctantly agrees to help Rachael. Jack and Rachael are pursued by the cult from the Channel Islands off Southern California through Mormon dominated Utah to the Arizona desert as they attempt to break the code- the sin code- and find the chest.
