George goes WILD in the wild!

In the eighth book of Nancy Krulik's popular George Brown, Class Clown series, George Brown is going on his first camping trip with his scout troop. After a trial run with his dad in the backyard, George can't wait to head out into the wilderness. It doesn't take long, though, for the Super Burp to drown out the soothing sounds of babbling brooks and bird calls. Too bad there's no such thing as a bug spray for burps!
