In the Company of Stone: The Art of the Stone Wall, Walls and Words (Paperback) - Common By (author) Dan Snow
Daniel Snow is a waller, an artisan who builds walls, terraces, and the occasional sphere or pool out of dry stone. It's an ancient skill - building with only what the earth provides. This book talks about his work and contains photographs of his work which reveal the nuance and beauty of walling - and of one man's relationship with nature.
