Introduction to the Middle Way: Chandrakirti's Madhyamakavatara with Commentary by Ju Mipham Chandrakirti, Jamgön Mipham
Introduction to the Middle Way presents an adventure into the heart of Buddhist wisdom through the *Madhyamika*, or "middle way," teachings, which are designed to take the ordinary intellect to the limit of its powers and then show that there is more.

This book includes a verse translation of the *Madhyamakavatara* by the renowned seventh-century Indian master Chandrakirti, an extremely influential text of Mahayana Buddhism, followed by an exhaustive logical explanation of its meaning by the modern Tibetan master Jamgön Mipham, composed approximately twelve centuries later. Chandrakirti's work is an introduction to the Madhyamika teachings of Nagarjuna, which are themselves a systematization of the *Prajnaparamita*, or "Perfection of Wisdom" literature, the sutras on the crucial but elusive concept of emptiness.

Chandrakirti's work has been accepted throughout Tibetan Buddhism as the highest expression of the Buddhist view on the sutra level. With Jamgön Mipham's commentary, it is a definitive presentation of the wisdom of emptiness, a central theme of Buddhist teachings. This book is a core study text for both academic students and practitioners of Mahayana and Vajrayana Buddhism.
