Life and Adventures of L. D. Lafferty: Being a True Biography of One of the Most Remarkable Men of the Great Southwest ...and Hairbreadth Escapes Upon the Frontier of Texas A. H. Abney
This book is a "True Biography of One of the Most Remarkable Men of the Great Southwest, from an Adventurous Boyhood in Arkansas, Through a Protracted Life of Almost Unparalleled Sufferings and Hairbreadth Escapes Upon the Frontier of Texas"

From inside the book:

That “truth is often stranger than fiction” is clearly shown in this biography; yet should it be asked, why a man possessed of such extraordinary powers has been so little known, our answer is this: When he first came to Texas, in 1818, he was uneducated, and had no ambition to acquire fame or notoriety; and as he never became a permanent citizen of Texas, during the days of the Republic, but merely fought as a volunteer during the several periods of revolution, from 1818 to 1832, returning to his home in Arkansas at intervals, he was not sufficiently known to attract special attention. And, furthermore, he had acquired, during his long residence among the Cherokee Indians, in early life, much of their peculiar habit of reserve and dignified retirement, and hence shrank from any public recognition of his services in behalf of the oppressed. Nor would he render himself conspicuous by thrusting into the public prints an account of his early contests with the Osage, Pawnee, and Kickapoo Indians. And it was not without much persuasion, as well as logical argument, that he finally consented to allow the leading adventures of his eventful life to appear in this volume. In chronicling his connection with the Texans in their early struggles for liberty, it became necessary for the author to consult freely the best historians of that period, in order to test the correctness of Lafferty’s statements by a comparison of the same with those given by accepted history.

Contents:
