Medieval Exegesis: The Four Senses of Scripture, Vol. 2 (Ressourcement: Retrieval & Renewal in Catholic Thought) Henri de Lubac

Translated by E. M. Macierowski
Originally published in French, de Lubac's four-volume study of the history of exegesis and theology is one of the most significant works of biblical studies to appear in modern times.

Still as relevant and luminous as when it first appeared, the series offers a key resource for the renewal of biblical interpretation along the lines suggested by the Second Vatican Council in Dei Verbum. This second volume, now available for the first time in English, will fuel the currently growing interest in the history and Christian meaning of exegesis.
