Sinister Seraphim of Mine (Overworld Chronicles Book 8) John Corwin
WAR AGAINST ANGELS IS HELL

Daelissa's army is on the move and gathering force. With Synod forces, vampires, the Exorcists, mercenary battle mages, the Blue Cloak army of the Arcanes, and the insidious Nazdal at her back, Team Evil looks unstoppable. Their new head strategist, Luna, seems to outthink Justin's forces at every move. To make matters worse, the insane Seraphim has even come up with a way to revive husked Seraphim with arctech developed from one of her former minions, Maulin Kassus.

Seeing no other way out, Justin enlists the help of Jeremiah Conroy and frees Kassus from prison. But Kassus is difficult to control, and Jeremiah is so obsessed with vengeance, the duo may do more to cripple Team Good than help it.

Desperate to raise more numbers, Justin hatches an idea to steal husked Seraphim from Daelissa so they can build a Darkling army of their own, but time is quickly running out.
